# The bullies

# There are 4 types to the bullying:

- Cyber aggressions
- Psychological aggression
- Physical aggression
- Verbal aggression

# Cyber aggression

- The bullies post anonymous message to the victims
- The bullies post hurtful comments to the victims on social networks

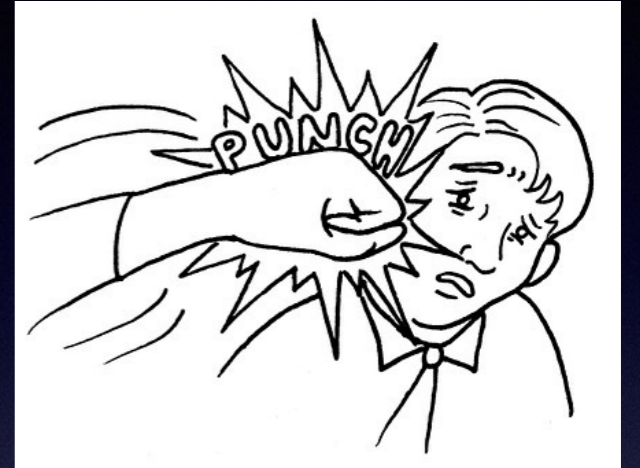

# Psychological aggression

- The bullies always exclude the student
- The bullies spread rumours to the victims

# Physical aggression

- The bullies often push the victims.
- The bullies usually take a lunch box to the victims.

# Verbal aggression

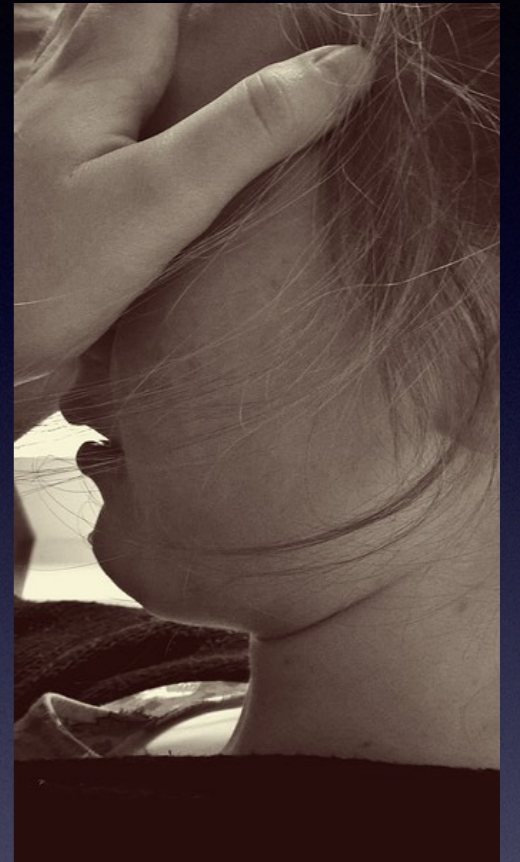

- The bullies call the victims name's everyday.
- The bullies tease the victims.

# The bullies think.....

- They are more popular than the victims
- They are more confident than the victims
- They are funnier than the victims

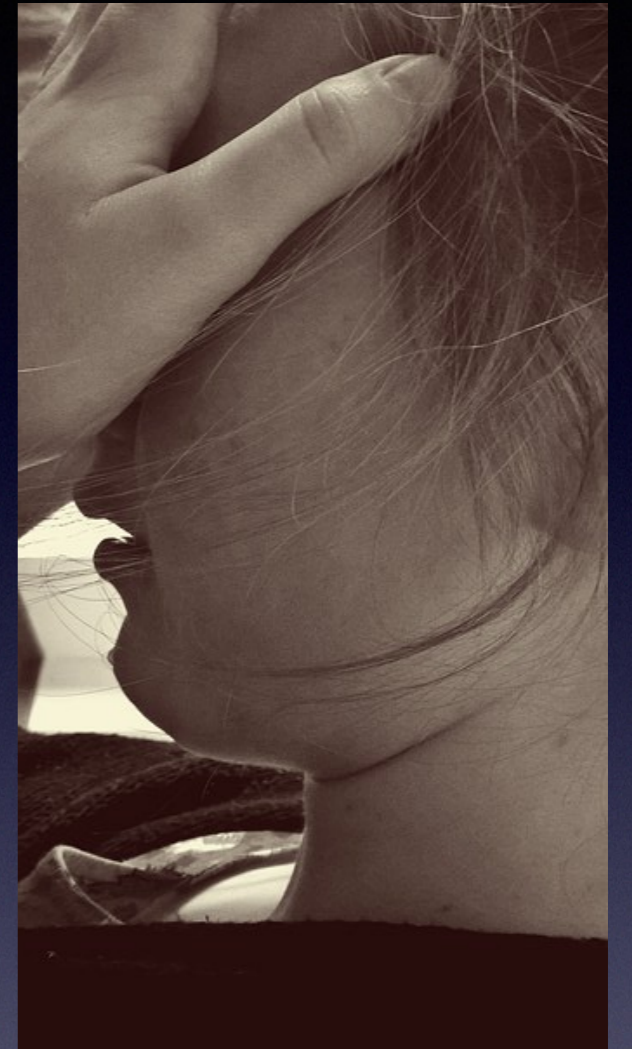

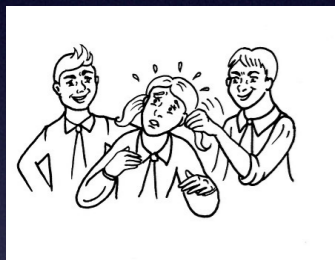

# I think.....

- The victims should tell an adult.
- The victims should run away.
- The bullies should'nt bully the victims

# Stop bullying
